

Welcome to Hong Kong Metaverse XOOCITY !

XOOCITY is the first virtual land ownership platform of a replica mega city Hong Kong metaverse, allowing users to sell, stake, and develop NFT-based applications on it. XOOCITY replicates real cities to create a virtual world for visitors touring on attractions, skyscrapers, amusement parks, temples, landscapes as well as shops and trade expos.

Introducing the Hong Kong Metaverse

What is a Metaverse?

A Metaverse is a collective virtual shared space. Think of it as a convergence of virtual reality, augmented reality, and online gaming into a fully interactive and immersive experience.

Why Hong Kong?

Hong Kong is a city that never sleeps, a global business hub that is always at the cutting edge of technology and innovation. It is the perfect location for a digital Metaverse that brings people together from all parts of the world.

What can you Expect?

Our Hong Kong Metaverse will provide an unparalleled experience of being right in the heart of the city. You can explore the bustling streets, experience the fast-paced life, and immerse yourself in the rich culture and history of Hong Kong.

What We Offer to you !

- A metaverse city Hong Kong to showcase your 3D business and products in your headquarters building.
- A place where you can do business with your customers and to social and make friends.
- A technology platform where you can find technical suppliers to match your web3 technology and services demand.
